GENERAL
All tournament play is governed by the latest edition of The Official Rules of CueSports International and the following regulations. Modifications to the official rules are included in this document and take precedence over the official rules. Full Tournament Regulations can be found here: <http://wspapool.com/user-files/documents/tournament-regulations.pdf>

CASUAL DIVISION CRITERIA
All Casual Division entries will be reviewed. If you have questions on eligibility, please email info@wspapool.com prior to submitting your entry. We will use FargoRating, CompuSport Rating, league stats (win/loss %, table run/ERO), and any other available data to determine eligibility.

CODE OF CONDUCT
Players and spectators are expected to conduct themselves in a respectable manner. Any negative actions of players or spectators that reflect negatively on the organization or venue will not be tolerated and will result in probation or suspension from WSPA events.

REFUND AND DIVISION CHANGE POLICY
Requests for refunds or division changes will only be accepted by email at info@wspapool.com. Requests must be received by the WSPA no later than the latest entry deadline. Refund checks will be mailed after the tournament is complete and will be charged a \$10 processing fee per event.

QUALIFICATIONS TO ENTER
Wisconsin or out-of-state residents must have played a minimum of four matches in a WSPA sanctioned league. If you do not shoot in a WSPA league but are a Wisconsin or Michigan Upper Peninsula resident, please find our WSPA Player Membership & Entry Form at: www.wspapool.com/tournament. The WSPA may require you to show proof of residency. If you have a question regarding your sanction status or eligibility, contact your League Operator (if applicable) or email info@wspapool.com.

TAX INFORMATION
Any player having won \$600 or more from all combined WSPA tournaments for the calendar year will be required to fill out Form W-9 which will be available at the tournament(s). If you do not fill out this form, we will be required to withhold 30% of your prize money. The WSPA will report your winnings to the IRS and send you Form 1099-MISC.

SOFT BREAKING – THIS APPLIES FOR SINGLES 8-BALL EVENTS ONLY
1. Players will be allowed one intentional soft break per match. If you intend to break softly, you must notify your opponent and get a referee. The referee will make a note that your one safety break has been used.
2. If your break is illegal, with or without a foul, your inning ends. Your opponent may:
A. re-rack the balls and break.
B. require you to re-rack the balls and break again.
3. The game cannot continue until there is a legal break. If a break is illegal and there is also a foul, the illegal break takes precedence and the incoming player must choose either option "A" or "B" listed above. If option "B" is chosen, a safety break cannot be attempted again as it has already been used.
4. If it is found that you are intentionally doctoring the rack to gain a competitive edge, that game will be forfeited. Final decisions on this violation are at the discretion of the Tournament Director or referee.

SLOW PLAY
This rule is to minimize slow play in order to move the events along at the scheduled pace and to offer a pleasant experience for all players.
• Players can be put on a shot clock if it is determined they are taking an excessive amount of time to shoot. Event officials require that matches proceed at a steady pace. You may call a referee if you believe your opponent is consistently taking longer than one minute per shot. If after a reasonable time of observation, the referee determines that slow play is occurring, they will warn the offending player. If slow play persists after the first warning, the Tournament Director or designee will place the offending player on a shot clock. The shot clock will be used until the offending player demonstrates they can play in the allotted amount of time.
• If it is determined he or she is slow playing again in the same or a later match, the player will be warned again and watched by a tournament official. If the opponent continues to consistently take longer than a minute to shoot, then the penalty will be a game forfeiture.
• If the same player is found slow playing a third time in an event, he or she will once again be warned and if found to still be slow playing will forfeit their remaining games in that match.
• A fourth occurrence by the same player will result in a warning, and if found to be slow playing again, he or she will be disqualified for the remainder of the event.

DRESS CODE
Dress code requirements are established to add to the prestige and respect to the WSPA State Championships. Your cooperation in wearing neat, clean apparel at all times during competition is appreciated. Any player not using good personal hygiene (showing, etc.) will be subject to the same match forfeitures. Final decisions on dress code violations are at the discretion of the Tournament Director and/or WSPA Board.

Referees will not be policing dress code violations. It is up to the players to either accept or questions their opponent's attire before the coin flip of their match.

• In addition to the one-game penalty, a mandatory warning will be given that a second violation of any part of the dress code during any later match in any event will result in immediate disqualification of that player from all remaining events. After the first-violation penalty is applied, the player will be allowed to finish the match without the dress code violation corrected.
2. Second violation in any later match in any event: disqualification from the event and all remaining events.
